**Abstract:** The article, Dharithri: The Earth in Turmoil & the Fate of the Nation States, is the result of my pursuit after the Truth, since my School Final year, 1969-70, regarding the subject “Where the World is heading? It was the year the Americans landed on the Moon, the event that not only sparked my curiosity and imagination, but also led me towards the quest, since the last 53 years, for the underlying forces of the Nature, including the cosmic laws that govern the entire Universe. Dharithri, [a Sanskrit term, meaning the Earth] comprises all the Non-Living systems and the Biota, i.e. all the Living Species, including Human beings. Once it became clear to me that the modern Science & Technology only brought wholesome destruction of innumerable species, resulting in their becoming extinct, I searched for alternative sources of knowledge and wisdom, including the Vedas, Upanishads, the Bible, the Quran & the Hadith, Sikhism, Judaism, Buddhism, the Prophecies and Predictions of the great Sages, Rishis, Seers and Prophets, and in a comparative study of these religions and coordinating them with the recent world history, the current International trends and the Global Phenomena, I could discern that ‘the World is heading towards a Great Catastrophe’! In reality, the world is sleepwalking into the final, disastrous World war, at the climactic stage of which the great Space Power, the Kalki, none other than the Second Coming, descends, for the Great Retribution on Earth! All the human iniquities since the Great Deluge, 13000 years ago, have been dragging the world towards this end only! Many of the sages’, prophets’ and seers’ prophecies and predictions have been vindicated and the remaining ones are going to be vindicated, once we assess the high rate of their predictions being already vindicated. The colonial warfare on the Nature, since the onset of industrial revolution, the Symptoms of Earth’s turmoil, the hustle of the nation states towards the final showdown, in the aftermath of which only one seventh of the humanity survives, the Doom and the Post-Doom-Humanity were given in this article.

## 1. The Earth in Turmoil

Dharithri is a Sanskrit term meaning the Earth, inclusive of all Biota and all Physical Systems and Ethereal Systems etc. This planet Earth we live on has been in existence since the last 4500 million years and has been supporting millions of species including human beings. Since the last two centuries, the Biota is experiencing convulsions and more recently traumatic

conditions of the Nature are evident due to the human activities.

In my youth I had been an atheist, from 1969 – 1995 and I adored Science & Technology for 25 years and, at long last, I am convinced that what the modern seers of humanity have been saying is true, that ‘the devastation and pollution caused by the modern science and technology and industries is perilous to the life on Earth, including humans’.

### 1. *Alternative Sources of Knowledge and Wisdom:*

Once it is clear that the Science and Technology have proved themselves to be of highly destructive in nature, pertaining both to the Nature and the Humanity in particular, I have searched for alternative sources of knowledge and wisdom.

*The present predicament of man is the result of rapacious approach:*

Mere rational approach can’t reveal the underlying truths pertaining to the Nature, Humanity’s present course and what’s in store for the Humanity and the earth. This is of great concern for us. A mind all logic is all-blade and it bleeds the hand that wields it.

*The religion, in its original form is an intimation of destiny.*

All the major events on the Earth, up to the Doom and even post-Doom period, were predicted in the Revelation of the Bible, Bhavishya Purana, ‘Centuries’ of Nostradamus and other seers like Cheiro, Veera Brahmam of South India etc.

Sage Vyaasa predicted, 5 Thousand years ago, that “when everybody on Earth drinks and play dice, when the rains become scarce, when parents are neglected by their children, when cities and towns become dens of sinful activities, when twin-flowers and twin-fruits appear frequently on plants and trees, when the machines prevail on Earth, When impaired children and animals are born frequently, Beware! The Doom is at hand”<sup>1</sup>.

*What could be more disastrous than losing six sevenths of humanity in Cataclysmic wars and the Doom?*

Research on comparative religion and history greatly helped me in this Subject.

### 2. *Divine Warnings and Prophecies gone unheeded:*

I am putting before you certain facts pertaining to history:

- I. *Black Friday:* This Happened in USA On 19<sup>th</sup> May of 1780... At 9:30 Am on that Friday the Sun

<sup>1</sup> Maha Bhagavata- by Ved Vyasa

clean disappeared and an eerie darkness soon spread in the eastern states of that country. Everybody was frightened that the Doom was approaching<sup>2</sup>. Only on the next morning the Sun rise happened. Nobody could explain this mystery so far.

- II. *Black-out In Newyork*: On 13-7-1977 & 14-7-1977 there was a great blackout in Newyork City.
- A. *Are these random events? Not at all ...!* At 8:30 Pm Lightning struck on Buchanon South Sub-station.
  - B. 8.45 to 8:55 PM – 900 M.W. Con. Edision power – plant was struck by lightning and the Nuclear power-supply-line cutoff at 8:55 PM power line disrupted.
  - C. 9:14 PM another lightning struck and the power plant shut down at 9:36PM.
  - D. Power supply was restored on 14-7-1977<sup>3</sup>. In that blackout and on the next day thousands of cases of robbery, murders and rapes happened.
  - E. On September 11, 2001 twin towers of World Trade Center were cast down by terrorists with hijacked aeroplanes.
  - F. Nostradamus predicted almost 500 years ago that “Twin towers will be cast down and the world would never be what it was before”.
  - G. In 2003, a great black-out for 3 days in 10 states of USA, having the cities of Cleveland, Aeron, Toledo, NewYork, West Chester, Baltimore, Rochester, Syracuse, Albany, Detroit, (also parts of Canada)<sup>4</sup>.
  - H. Black-outs happened in China and India in recent times (2001 – 2012) I 2000 years ago, the Bible prophesied: “the fifth angel poured out his bowl on the throne of the beast, and it’s kingdom was plunged into darkness”<sup>5</sup>.
  - I. Nostradamus predicted “A great prince of terror will descend on Earth in 7th month
  - J. 1999, and he is a Mongol”<sup>6</sup> (Genghijkhan).
  - K. The great powers of the world are marching ahead, trampling the Earth, exactly as was predicted in the Bible, Hindu Scriptures etc.
  - L. Alexander- the Great heeded the warning and retreated from India in the 4th century B.C.

After he won the war with Paurus in North – Western India, Alexander marched on to Northern India through the jungle route. His great army, up to 1 Lakh, was moving with great noises... At one point all the Army became silent. Their war-horses and elephants and infantry all moved silently passing that point with utmost fear. What is there?

Only a handful of sages were there sitting in their meditation... They didn’t even open their eyes and beheld this great army. The frightened commanders and lieutenants were about to revolt against Alexander the next day. He was intent on conquering the World. But this unprecedented event made

his army frightened. On the third day Alexander declared his decision of retreating from India<sup>7</sup>.

“*The destroyers of the earth shall be destroyed*”<sup>8</sup>, Bible says.

*This is the ultimate justice!*

The Nature is replete with mighty latent powers, some of which are discovered by modern Man only to abuse them and, thereby, inviting the wrath of the Ultimate Power, the Omniscience of this universe.

*Against the Rock of moral law, earth’s conquerors and exploiters hurl themselves eventually to their own destruction*<sup>9</sup>.

### 3. *Industrial Revolution, Electronic revolution, Globalization and Urbanization:*

Industrial revolution began in 18<sup>th</sup> century to make things easier for man and it proceeded until mid-19<sup>th</sup> century. The electronic revolution, bio-technology and genetic-engineering, all these so-called progressive movements culminated in accelerated urbanization and finally the world wide mobilization of goods services, capital, labor.. etc. in the form of globalization has been accentuating the abuse of material resources available to modern man.

Globalization and urbanization go hand- in- hand, accelerating the violence on the Nature. Slums in towns and cities are blights on the face of the earth.

Accelerated urbanization is nothing but rapaciously devouring huge tracts of pristine forests, eliminating millions of species from the face of the earth, in the pursuit of material gains and luxuries. In reality the scourge, i.e., consumerism, is the root-cause of this onslaught on nature. “Future generations can’t bring them back even if they spend all their wealth”.

- Mark Boyle

Every penny we spend is being utilized for the destruction of valuable natural resources, which are priceless. The air, the water, and the oceans are being polluted. Our consumerism is destroying the nature.

## 2. The Nemesis

*“Automation may trigger world war. Advanced technologies, which seek to replace humans at work places, can trigger a third world war. World leaders have a ‘duty’ to educate people to prevent the pain caused by a rapid rise in Automation and Artificial intelligence.”*

- Jack Ma, Founder, Alibaba

A study by Oxford University suggested that 100 professions or occupations are at risk of being eliminated by automation in the future. All jobs that require exceptional thought processes and those that could be accomplished by analyzing data with a simple Algorithm could be replaced. Alluding the breaking out of world war to Disruption of the Global order Due to Technology, Mr. Jack Ma said: “*The First technology revolution caused World war-I, the Second technology revolution caused world war-II, now this is the Third*

#### 4. Prophecies and Predictions:

Quantum Physics says that the prediction of the future is not possible since every event is the happening of one of the infinite number of probabilities. Then how is it that since the last 5000 years prophets, seers and sages made prophecies and predictions which are being vindicated now?

The sages, prophets and seers of different times and different lands had, a common feature, in their visions, of destiny, the future, of humanity and the universe. This can be taken as an objective fact. The prophecies and predictions given by the great prophets, sages and seers are available to us. It's amazing that the things are happening exactly as was predicted by the sages thousands of years ago

Mother Shipton predicted in 16<sup>th</sup> century:” Men’s thoughts will fly quick as the twinkling of an eye., A carriage without horse will go. , Disaster will fill the world with Woe., beneath the water men shall walk, ride, shall even talk., fire shall be sent in the pipes”.

“...Suddenly a beast came from the west, across the surface of the whole earth, without touching the ground”<sup>10</sup>.

“... Behold! a great fiery red dragon... His tail swept down a third of the stars of the heaven and cast them to the Earth...”<sup>11</sup>

“The fifth angel poured out his bowl on the throne of the beast, and its kingdom was plunged in to darkness...”<sup>12</sup>

Cheiro: “The great deserts of the earth will become the future granaries of the World”<sup>13</sup>. “The Mid-Atlantic Ridge will rise up to the sea level, the gulf stream would be obstructed and whole of the northern Europe will be under permafrost forever”<sup>14</sup>.

#### 5. Man-not Homo sapiens but Homo- Economicus:

Humanity, at present, is weighing everything against economic considerations. They are worshipping God Mammon, craving for material wealth, neglecting the Cosmic (Divine) Governing Power of the universe, the Ultimate Consciousness. Man’s intent is to have luxuries at any cost. He doesn’t know that ‘the cost is losing the six sevenths of humanity’!

#### 6. Symptoms of Earth’s turmoil:

*Human violence on Earth is causing:*

- a. *Global warming (Green – House gases):* Due to industrialization, deforestation and massive power generation, huge amounts of greenhouse gases like carbon dioxide are accumulating in the atmosphere, thus raising the global temperatures ultimately leading to the rise of sea levels, with disturbed monsoons causing droughts, flash floods etc. Global warming is the result of global dimensions of the perpetrations of Man.
- b. *Earthquakes and tsunamis:* The high frequency of earthquakes and tsunamis is due to increased activity of tectonic plates which are on the upper mantle of the Earth, suffering from human intensions and luxuries. Human intentions and behaviour obviously play a major role in earth’s present reaction.

- c. *Cyclones and Tornadoes:* Global warming, in turn, causes the high frequency of cyclone formation and tornado formation.
- d. All the cities, towns and the metropolises on Earth are, due to their negative deeds, causing the convulsions in Earth. All these concrete jungles are nothing but cancerous growths on the surface of the Earth.
- e. *Deforestation:* Every year, 4.7 million hectares of pristine forests are being razed to the ground<sup>15</sup>, causing anguish to the earth. Amazon forests are the lungs of earth’s atmosphere.  
Now these are being razed to the ground.
- f. *Ring of Fire:* Along the rim of the Pacific Ocean lies this great range of active volcanoes, 35 thousand kilometres in length. This is tantamount to a great ticking bomb to go off any moment.
- g. *Nuclear power:* Hiroshima, Nagasaki, the Chernobyl, the Fukushima etc., all these are the examples of abuse of the great power latent in the Nature. Humanity will have to pay very dearly for the sinful activities being committed by it.

#### 7. Navel of the Earth:

The Earth, the great living juggernaut, has a navel and the tectonic plate containing this navel is relatively non-moving and there has been no earthquake at all, at this point, for the last 4000 years since there had been built a temple in the name of the Creator by the patriarch Abraham.

Those regions of the Earth which are far away from this navel are materialistic and in effect worshipping the God Mammon. Proximal regions are spiritually on the higher rungs.

#### 8. The Hustle of the Nation States towards the Ultimate War.

All the Nation States, the world over, are, currently, in a ‘Hustling State of flux’, in the ‘Neo-Could-War’ between the two rival groups of NATO + and China+. The So-called world Police, the U.S.A., is no longer able to control either the ‘Terrorism’ or the ‘aggressions of the China...!’

It seems the World is sleepwalking into the final, disastrous, World War! The present War in Europe (Russia – Ukraine), and the aggressive moves of China beyond the Taiwan Straits, the Sole intention being gobbling up the Island Nation, Crucial for the ‘High-End-Chip-Manufacturing-Units’, all these are indicative of the major conflagration ahead!

Moreover, the two most populous Countries of the world, China & India are on the Collision course. Doklam, Galwan and Eastern Ladakh are only current indications of the gravity of the situation!

The Dragon’s B.R.I. (Belt and Road Initiative) linking it with more than 60 Countries is only the ‘Routes of its Long- March on the World!’

### 3. The End Times

*The most accurate ever prediction of the ‘end times’ was given by a 12<sup>th</sup> century Rabbi [a German – rabbi, 1150 A.D. to*

<sup>10</sup> Bible, Daniel, 8:5

<sup>11</sup> Bible, Revelation, 12:3&4

<sup>12</sup> Bible, Revelation, 16:10

<sup>14</sup> Ibid

<sup>15</sup> www.en.m.wikipedia

22 Feb 1217, Regensburg] by name Judah ben Samuel in “The Book of the Pious”, & “The Book of Calculations”, following the Christian crusades – 1096 A.D. to 1270 A.D.

“...When the Ottomans (Turks) who were already a power to be reckoned with, in the Bosphorus (in the time of Rabbi) – conquer Jerusalem, they will rule over Jerusalem for eight jubilees, afterwards Jerusalem will become ‘no-man’s-land’ for one jubilee and then in the ninth jubilee, it will once again come back into the possession of the Jewish nation, which would signify the beginning of the Messianic End-times”. (One jubilee is 50 years (Leviticus-25). His calculations were purely theoretical; it was only 300 years after his death that the first of his predictions were to come true. The Mamluks, who had been reigning in Jerusalem since 1250 were conquered in 1517 by the Ottoman Turks. They remained for 8 jubilees ( $8 \times 50 = 400$  years) that is to say they were in Jerusalem for 400 years. Exactly 400 years later, in 1917, the Ottoman Turks were conquered by the British. The League of Nations conferred the mandate for the Holy Land and Jerusalem to the British. Thus from 1917, under International Law, Jerusalem was ‘no man’s land’.<sup>16</sup>

*Then when Israel captured Jerusalem in the ‘six – day war in 1967, exactly one jubilee (50 yrs) after 1917, Jerusalem reverted to Jewish – Israel ownership once again, after 1900 years, thereby, according to the prophecies of Judah ben Samuel, ‘the Messianic End Times began’.*

But to recap the astonishing predictions: In A.D. 1217 this scholarly and pious rabbi prophesied that ‘the Ottoman Turks would rule over the holy city of Jerusalem for eight jubilees’. Now, keep in mind, he made this prediction 300 yrs before the Ottoman Turks seized the control of Jerusalem in 1517. If indeed 1217 and 1517 were jubilee years as Judah ben Samuel believed, *then his prophecy was exactly right, because exactly 400 years after the Turks took control of Jerusalem, they were driven out of the city and the Holy land in 1917 by the Allied Forces under the command of General George Allenby – on Hanukkah, by the way.*

“... During the ninth jubilee Jerusalem would be a “no-man’s land.” This is exactly what had happened from 1917 to 1967 due to the fact that the Holy land was placed under British mandate in 1917 by the League of Nations and literally “belonged to no nation”. It was not until the six day war in 1967 (5<sup>th</sup> June to 10<sup>th</sup> June) when the entire West Bank of the Holy Land was conquered by the Israeli army that the whole city of Jerusalem passed back into the possession of Israel, after 1900 years! So once again the prophecy, made by the rabbi – 750 years previously, was fulfilled to the letter.

#### *Israel and the near future*

It certainly would be significant if both 1917 and 1967 were jubilee years, considering the significance of what happened in Jerusalem in those years. But it gets even more interesting, because Judah ben Samuel also prophesied that during the 10<sup>th</sup> jubilee, Jerusalem would be under the control of Jews and the Messianic “End Times” would begin. If he is right, the 10<sup>th</sup> jubilee began in 1967 and will be concluded in 2017.

Hence, the End Times began in 2017!

#### 9. *The Kalki, none other than the Second Coming*

Our modern age is marked by a lack of faith in the divine nature of Man. Man is more engrossed in his material affairs and forgets willfully, the higher side or the godly half of human soul. This ‘Materialism’ in Kali Yuga- or ‘Worship of Matter’ or worship of Mammon as Bible calls it – became the religion of the Kali Age.

A second quality of Kali Yuga is that man is more interested in his body and not at all interested in his soul. Man ignores the higher side of this creation. He is like Narcissus in love with the body – he loves sex, worship of beauty of the body, feeding the senses, lusts and carnal pleasures and power and gratifies his animal instincts. Politics replaces religion in the world.

The consequences are naturally what we see today in experience. Nation tries to destroy nation; man tries to kill man, brother cheats his brother, one part of human race tries to dominate the other! Naturally, there will be wars!

Kali Yuga is therefore called – ‘The Age of wars’, there will be intrigue, treachery, sabotage, espionage, murder, lust, rapacious greediness for wealth, revolutions, massacres, wars and blood shed – all these fill the world with war. It is the age of sorrow, suffering and failure of Man. Man’s higher purpose – the purpose for which he has come down to earth – is forgotten! *“Then the sign of the Son of Man will appear in Heaven, and then all the tribes of the Earth will mourn, and they will see the Son of Man coming on the clouds of Heaven with Power and Great Glory”*<sup>17</sup>

*He will descend from beyond our Solar system, riding a Space-vehicle symbolized as a flying horse.*

*There is a prophetic passage in the Bhavishya Purana concerning the appearance of the coming Avatara.*

*He is described in Bhagavata and the Bhavishya Purana as the “Rider of the white horse, bearer of the flaming sword”- which Bible also repeats in the Book of Revelation.*

*It is clear that the Coming is described as “God of Gods and king of kings” He appears to punish the wicked, and the selfish mankind and establish the ‘Satya Yuga’ or the “Age of Truth” on earth called “Kingdom of God” by the Christ.*

*It can be demonstrated with abundant evidence, that the Aquarian age, of Cheiro and modern occultists or the Promised Millennium of the Old Testament, the Days of Judgement etc., are all echoes concerning the present Age of Transition which we are passing through, namely the end of the Kali Age and the beginning of Satya Yuga. This Avatara is due to appear shortly and we are ‘right on the threshold of the promised time’.*

We may go even a step further and completely unveil the great secret regarding the Second coming in all the prophetic writings including ‘Secret Doctrine’ of H.P. Blavatsky and “Cheiro’s World Predictions” there are only veiled references, exact details are not given.

The coming Avatara which marks the turning point in human affairs as clearly prophesied in even the Bible as ‘the Descent of God to earth’ and the commencement of the “Kingdom of Heaven”.

<sup>16</sup> Website-destination-yisrael.biblesearchers.com

<sup>17</sup> Bible, Matthew, 24:30

The prophecy mentioned in the Book of Revelation in the Holy Bible is none other than the Kalki. The description bears it out beyond doubt and agrees even in the minutest details, with the description of Kalki-Avatarā given in all the ancient Puranas. The description in the Bhagavata Purana—runs as follows:

*"When Righteousness declines, and the evils of Adharma fill the world, the Lord, Al-mighty descends to Earth. For uplifting the righteous, and the protection of Dharma, He, the Lord of all that moves and moves-not, the Soul of the Universe, the all-immanent Lord-Almighty incarnates to Earth".*

Now let us see the wonderful identity of the details of this description, with the account found in the Bible of the same Avatarā. This will establish the identity. Let us listen the Biblical echo of the account of the coming Avatarā—the 'Rider of the White Horse' and the "bearer of - the Sword". 'Revelation'-says:

*"And I heard as it were, the voice of a great multitude and as the voice of many waters, and as the voice of mighty thunders, saying Halleluiah, for the Lord our God, the Almighty, reigneth".*

*"And I saw, the heaven opened; and behold! a white Horse, and he that sat thereon called the Faithful the True (Satya yuga?); and in righteousness he doth judge and make war.*

*And his eyes are a flame of fire, and upon his head are many diadems; and he hath a name written which no one knoweth but he himself. And he is arrayed in a garment sprinkled with blood; and his name is called 'the Word of God'. And the armies which are in heaven follow him upon white horses, clothed in fine linen, white and pure.*

*And out of his mouth proceedeth a sharp sword, that with it he should smite the nations and he shall rule them with a rod of iron. And he hath on his garment and on his thigh, a name written:*

*"KING OF KINGS, AND LORD OF LORDS"!*

The identity is unmistakable — the similarity is most arresting! Even the 'Secret Doctrine' of H.P. Blavatsky refers to this in unambiguous words.'

"Truly so; the Veda of the earliest Aryans, before it was written, went forth into every nation of the Atlanto Lemurians, and sowed the first seeds of all the now existing old religions. The off-shoots of the never drying tree of Wisdom have scattered their dead leaves even on Judeo-Christianity. And at the end of the Kali, our present Age, Vishnu or the "Everlasting King"- will appear as Kalki; and 're-establish righteousness upon earth. The minds of those who live at that time shall be awakened, and become as pellucid as crystal'.

*The Kalki, The Second Coming, is the Final Thunderbolt of the Omniscience, the Ultimate Consciousness, on the sinful humanity on earth...It would be highly selective on targeting the sinful ones...Even if there would be one single righteous person among a mob of 1000 persons, he will be left unscathed!*

*"They, i.e., the unvirtuous, would be falling like the (ripen) leaves of (the) trees.*

- Kaalajnaana

-

*Just prior to the all-smothering Doom, and immediately after the Armageddon, it will happen! Man can never make the like of 'it'...*

*NATION-STATES AND THE KALKI, NONE OTHER THAN THE SECOND COMING:*

*What's the overarching truth that is not known to almost all the peoples in the world?*

That most of the nations, and their armies on earth are like the Beasts and the they are inviting the 'Reaction' of the Ultimate Consciousness, which is within and even beyond this vast universe, and that anytime in the second half of this century it will strike the nations on earth for their iniquities.

*The Ultimate Consciousness, the Creator, the Lord, is angry with all the nations and their armies:*

Not only that the 290 crore Christians, 140 crore Hindus and 280 crore Muslims (Major religions' population by 2050, when the final world war would have, already, begun) believe that "when the sinful acts of the humanity reach the zenith, sky will be opened and the great retributive power, the last incarnation of Sri MahaVishnu, the Kalki, for Hindus, the Second Coming of the Messiah for Christians and the great retributive power, Kalima Tumminalla, for Muslims, descends on earth, to protect the faithful and punish the sinful." (vide – Revelation – 19:1 to 18, Quran – 25: 26, 77: 9)

In scientific terms: "this is the great Ultimate Space Power, compacted in a human form, in-built in the Milkyway Galactic system, made of the medium of the subtlest particles of the range of  $10^{-45}$ m to  $10^{-50}$  m. (Modern science could so far, go upto  $10^{-21}$  m only.), which can not only discern instantly, with the highest accuracy, the thoughts and the past deeds of 'every –person – in view,' but also can 'strike him/her down, at lightning speed'!"

The Kalki descends, *Post Armageddon, from beyond our Solar system, Riding a Space-vehicle symbolized as a flying horse*, when the final world war would be at the climactic stage i.e. 2072-73, when the power of the 'faithful' would be on the decline. The Hindu Puranas say: "When... the close of the Kali age shall be nigh, a portion of that Divine Being who exists, of his own spiritual nature ... shall descend upon earth... as Kalki (Avatarā), endowed with the eight super-human faculties... the end of the Kali age shall be 'awakened', and human minds shall be as pellucid as crystal. The men who are, thus changed... shall be as the seeds of human beings, and shall give birth to a race who shall follow the laws of the Krita age (or Age of Purity)."<sup>18</sup>

Where will he descend? ... "For as the lightening comes from the east"<sup>19</sup>... Yes, the Dragon is in the east of the world! (from 2065, there will be no country of Japan) and flashes to the west, so also will the coming of the Son – of – Man (The Kalki) be" "and I saw the beast, the kings of the earth and their armies, gathered together to make war against him who sat on the horse and against his army... Then the beast was captured and with him the false prophet... and the rest were killed with the sword

<sup>18</sup> . The Secret Doctrine, by H.P. Blavatsky, Volume-1 P/378 (Vishnu-Purana, Book IV, Ch. xxiv; Wilson, Vol. IV, PP. 224.

<sup>19</sup> Matt-24:27(Bible)

which proceeded from the mouth of him who sat on the horse..." (Bible – Rev. 19:19-21) His retributive expedition will be for several, weeks, around the globe.

Exactly 80yrs after the Babri – Demolition, in India, the Kalki descends! Immediately succeeding the Kalki expedition, in my estimate, the Doom happens! This great retributive power directs it's sword of flame towards the unvirtuous of the humanity, post – world war III...

*It is highly selective:* Only the materialistic, sinful and unvirtuous will be struck down by the Kalki's weapon, leaving the devout and virtuous unscathed, as was done circa 1290 B.C. in Egypt, leaving the Israelis unscathed... "Every 'first born' of the Egyptians, including the Pharaoh, were struck dead..."

The same will happen when the Kalki, the Second Coming of the Messiah, descends...

The Kalki will leave the children, the innocent and the faithful folk unscathed.

If there's only one person, out of a crowd of one thousand people, who is righteous and devout, he will be left unharmed...

*The great correction by the Kalki*

According to the 'Oxfam international, the wealth of the richest 1% of world's population totals \$110 trillion...

At the same time, the wealth of the poorest 3500 million people equals that of the wealth of the richest i.e. 0.85% of the world's population...

By 2072, post – World war – III, the Kalki's i.e. the Second Coming's great retribution, along with that of the Doom's, will leave the humanity purged of the materialistic elements, devoid of any sort of discretion, after the Great Correction!

This mighty weapon of the Omniscience, the Ultimate Consciousness, The Creator, would be 'future-proof' in its' retributive action. That is, he strikes even before the sinistral, materialistic, atheistic armies would target him. This is possible as he could 'communicate' with the 'Souls' of those in the vicinity 'instantly', and strike the sinners, i.e., those who are idol-worshippers, polytheists, atheists and those by whom the real faithful were slain!

By then all the satellites would either be shot down or become inoperable, ready to fall down. All the state-of-the-art-technology weapons would have been destroyed by the rival powers of the world. Only hand-held weapons would there for the 'sinful' humanity! Even those would be ineffective in the presence of the Kalki, the Second Coming!

*"Nainam Chindanti Sasthraani, Nainam Dahati Paavakah..."<sup>20</sup> -- Gita*

No weapon can even touch him! He will strike the sinful down, not less than one billion in number (in many analysis)! Many people could save their lives by hiding themselves in the caves, in underground bunkers, behind huge rocks, huge buildings, underneath the sea etc.

There would be no robo-soldiers at the time of Kalki, the Second Coming, nor there would be missiles, fighter planes etc., Since all these machines would either be destroyed in the Final-World War or would be inoperable due to non-maintenance etc.,

The Kalki would be like a "Tornado-of-Fire", with his Flaming Sword rotating 360<sup>0</sup> degrees, striking down the unvirtuous, and moving all over the world! No mundane power could resist this Mighty Space Power and that's why most of the people, the world over, would be hiding in the caves, strong buildings, behind huge rocks, beneath water or underground bunkers etc.,

*The Kalki's, i.e. the Second Coming's retributive action would be of the duration of forty to fifty days, in my humble estimate.*

When the Armageddon, the Clash of Civilizations, happens near Jerusalem, during 2069 to 2072, *No Nation State survives the great retribution of the Kalki, the Second Coming! National boundaries would dissolve! No religion survives except the 'One' that is given in the 'Rig Veda', the Bible (O.T) and the Quran!*

*10. On the threshold of Doom:*

*Our luxuries are the root cause of this turmoil of Earth:*

To make 1000 cars or 5000 motor bikes, they are destroying one hectare of pristine forest for the required mineral. Every year at least 70 – 80 millions of vehicles are being manufactured globally, for urbanization, for defence purposes, Ship-buildings etc., several million hectares of forests are being destroyed every year.

*"The destroyers of the Earth shall be destroyed."*

--- *The Bible*

*Global warming, frequent earth quakes, tsunamis and disturbed monsoons are the result of the sinful activities of humanity globally.*

*Our feelings and thoughts affect physical things either apparently or subtly.*

*TODAY'S SCIENCE IS ENGAGED IN A COLONIAL WARFARE AGAINST NATURE.*

*MAN IS THREATENED BY A WORLD CREATED BY HIM SELF.*

*"EVERY PENNY, WE SPEND IS BEING UTILISED FOR THE DESTRUCTION OF VALUABLE NATURAL RESOURCES, WHICH ARE PRICELESS. THE AIR, THE WATER AND THE OCEANS ARE BEING POLLUTED. OUR CONSUMERISM IS DESTROYING THE NATURE.*

*FUTURE GENERATIONS CAN'T BRING THEM BACK EVEN IF THEY SPEND ALL THEIR WEALTH".*

--- *MARK BOYLE*

All the nations of the Earth are getting prepared, either apparently or subtly, for the *clash of civilizations* as was expounded by Dr. Samuel Huntington.

The dragon, the beast of the Revelation, has already shot down some of the stars mentioned in the prophecy. This is the down to the earth phenomenon which is happening these days.

The so-called defence budget (actually these are 'ofence – budgets') of every nation is increasing annually to make armaments to the detriment of the respective peoples.

200 million war machines will participate in the final war, the mother-of-all-wars, the Armageddon!

The revelation of Bible, the Bhavishya Purana,

<sup>20</sup> The Bhagavad Gita 2:23

Nostradamian predictions and Kaala jnana of the seer Veera Brahman: All of these predictions pertaining to the Final war are being vindicated now.

The cost of this cataclysmic war would be, in my estimation, of the range of more than \$ 100 trillion. In preparations for this Great War, humanity will make more than a trillion machines including 200 million war machines, by destroying the nature and inviting the wrath of the Ultimate Power of the universe.

Every watt of energy we consume, it counts for the Doom. Every action of ours, every thought of ours counts. Every deed is being recorded incessantly! If the present technology has the capacity to put the info of 10 million book on a chip of 1 centimetre, using electron and photon, what could be the capacity of the Ultimate Divine Medium that could utilize the subtlest particles?

#### 11. *The Doom:*

After the descent of the Kalki (The Son of Man) and the divine retribution on the humanity, the all-smothering Doom happens. The earth will be shaken utterly on that day. Within the first minute all the 200 governments on the earth will fall. No man-made structure will survive this Doom. In the post-Doom period only 1/7<sup>th</sup> of the humanity remains according to the predictions of the prophets and seers.

#### 12. *Post Doom Humanity:*

In the post - Doom period no human being will have negative thoughts either pertaining to his neighbours or the Nature as there would be no negative ethereal powers to tempt the humanity. The Earth would be peaceful and there would be no famines and earthquakes. Rains would be plenty and humanity will abide by the natural laws. There will be peace all around.
